## *Facility Description*

The flagship of Hickory Valley, the Presidential Course combines something new with something old, as the layout incorporates nine of the original 27 holes with a memorable trip through an abandoned nursery over the new nine holes. The Presidential first escorts our guests across wide fairways, large undulating greens and vast array of bunkers, lakes and environmentally sensitive areas.

As you make the turn to the back nine, the course tightens the race just a bit, as the layout meanders through tall mature hardwoods to more smallish greens that require shot-making with just a hint of clean living. The closing

on the Presidential can be relentless and requiring your undivided attention, as you may be faced with three of the best finishing holes you'll find anywhere.

Come experience for yourself The Presidential and learn why since opening in 1996 the course has received Golf Digest's prestigious 4 star rating.

Although shorter in length at 6,450 yards than its sibling, the elder statesmen

Ambassador more than makes up for it in a classic mature design. What seems benign on the scorecard is not the case, as the routing weaves its way through massive 70 foot high hardwoods to gently rolling greens that slope from back to front. A course for all ages and levels of ability, the Ambassador offers plush conditions throughout and presents its diplomacy with the 610 yard par five 9th hole.

In short the three and half star Ambassador layout should not be taken lightly.
